Does your club need new members, or are you someone looking for a new hobby ? Bowls could be the game for you.

Disability is not a barrier, we can help show you how anyone can enjoy the game to what ever standard you want, from rolls ups with friends to being part of Team England at the Commonwealth games.

Come along during the day, try some of the equipment available to bowlers, meet the team and learn a bit more about the opportunities for your club or fellow players.
