

Annual General Meeting – Thursday 26th March 2026

NOTICE(S) OF MOTION in accordance with Rule 2(f). Please include rationale for proposal and full details including rules changes as necessary.

Amendment to club rules in relation to the casting of the jack on the sounding of the bell. This is to bring the rules in line with the recognised rules relating to timed games where it is only the delivery of the jack before the time and not the setting of the jack.

Rule 5.2(b) amendment to read

"An end will be deemed to have started, when the mat has been properly laid, by the designated lead player, and the jack has been cast, in that it has left the hand of the designated lead player.

In this situation only should the cast not be "legal" then the opposition shall have the choice to place the mat and jack where they wish.

The designated lead must not delay the delivery of the jack beyond that which would normally be expected to commence an end."

Proposed By Indoor Committee Signed
