

Annual General Meeting – Thursday 26th March 2026

NOTICE(S) OF MOTION in accordance with Rule 2(f). Please include rationale for proposal and full details including rules changes as necessary.

Amendment to club rules to require a minimum number of registered players to be named as part of a league entry and for it to be considered acceptable. This will ensure that teams have sufficient players to meet their fixtures in allowing some additional players beyond those required to field a team.

Proposed rule change to be inserted in section 4.

"The minimum number of players registered and who MUST be named as part of league entry and for it to be considered valid, Triples Leagues – 5 players, Pairs Leagues – 4 players"
