

Annual General Meeting – Thursday 26th March 2026

NOTICE(S) OF MOTION in accordance with Rule 2(f). Please include rationale for proposal and full details including rules changes as necessary.

To introduce to the bowls hall and lounge areas the ability to play background music during play.

This would be via a series of speakers and could be controlled independently to provide music in the bowls hall, lounge area or both. The music would be a background level as has been introduced at other clubs in Norfolk and other venues across the UK.

**Proposed By Management Signed Nicola Segolo
